

PASSIONE DIVINA

PASSIONE DIVINA 2020 BACIO 750 ml

APPELLATION Paso Robles, CA and Tuscany, Italy

GRAPES: 75% Sauvignon Blanc, Santa Ynez, CA
25% Vernaccia, San Gimignano, Italy

100% Barrel Fermented in 100% new French Oak

VINEYARD AND TERRAIN

Our Inaugural Bacio is made from Sauvignon Blanc from Los Olivos in Santa Barbara County USA, and Vernaccia di San Gimignano from Campochiarenti Winery in Tuscany Italy. The wine is 100% natural with nothing added. It underwent weekly batonnage in California for the entire time in barrels which created the creaminess we love in our white wines.

VINIFICATION AND BOTTLING:

The Vernaccia was fermented at the winery at Campochiarenti where it also went thru extensive batonnage. The Vernaccia was produced in stainless steel barrels that were made especially for this wine. In May 2020 the wine was shipped to the United States in the same stainless steel barrels and was blended with the Sauvignon Blanc for Erich's and Daniele's new creation.
